foundercontact is an online marketplace for entrepreneurs and business owners only. You can find new customers, get inspired by new ideas, expand your business international and get into contact with an unmatched network of 3,500 investors in order to expand working capital for your company.

Search, Find, Contact and Connect directly

Direct entrance to a large database of entrepreneurs, business owners and ceo's only. You can search on key words, names, specialism, business sector, country...you will find and get connected with peer member entrepreneurs at your own country within seconds.

Life Time Free Country Membership

Our ambition is to offer entrepreneurs an online place where they can contact and do business with peers. And the cost can't be a showstopper as we offer **life time free country membership** at foundercontact. If you prefer more you can upgrade anytime to Global or Executive membership.

Your Company and Products in Front of Decisionmakers

Ever heard from the law of Advertising? You better do because at least 50% of your money will be wasted. Stop the leakage and put your company and products up at the centre of foundercontact

community. The cost? **It's free if you pass registration!** Final decisionmakers that are 24/7 on with key questions like who is my next customer, how can I expand business regional or abroad, how can I accelerate company growth. Beneath your message we show also your *digital profile* that is clickable by a most appreciated target audience of entrepreneurs and business owners.
