foundercontact is an online marketplace for entrepreneurs and business owners only. You can find new customers, get inspired by new ideas, expand your business international and get into contact with an unmatched network of 3,500 investors in order to expand working capital for your company.

Search, Find, Contact and Connect directly
 Direct entrance to a large global database of entrepreneurs, business owners and ceo's only. You can search on key words, names, specialism, business sector, country...you will find and get connected with peer member entrepreneurs worldwide within seconds.

Direct Access to Entrepreneurs Worldwide
 Our ambition is to offer entrepreneurs an online place where they can contact and do business with peers. And the cost can't be a showstopper as we offer you Global Membership at foundercontact for **only €8,25 per month!** If you prefer more you can upgrade anytime to Executive membership.

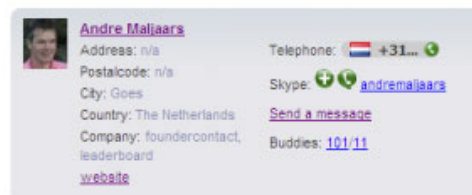

With a Video Your Product will Reach 59% of Target Group*

With Global Membership you can further increase effectiveness of your communication. A recent study of MarketingSherpa* showed that Video Messages gets viewed by a massive 59% of target group and you select simply at what countries you like to publish your Video Story. The cost of this? **Only Eur 99,- annual excl. VAT**

For this you get seamless entrance to final decisionmakers that are 24/7 on with key questions like who is my next customer, how can I expand business regional or international, how can I accelerate company growth. Beneath your message we show also your *digital profile* that is clickable by a most appreciated target audience of entrepreneurs and business owners.
